

RHIC Polarimeter Target Test

Haixin Huang, Dannie Steski, Anatoli Zelenski

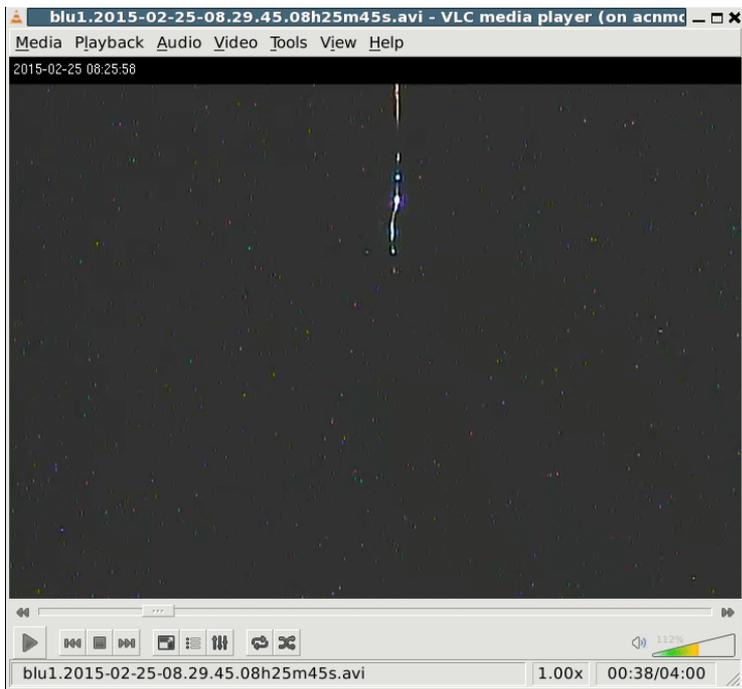

Feb. 27, 2015

APEX Meeting

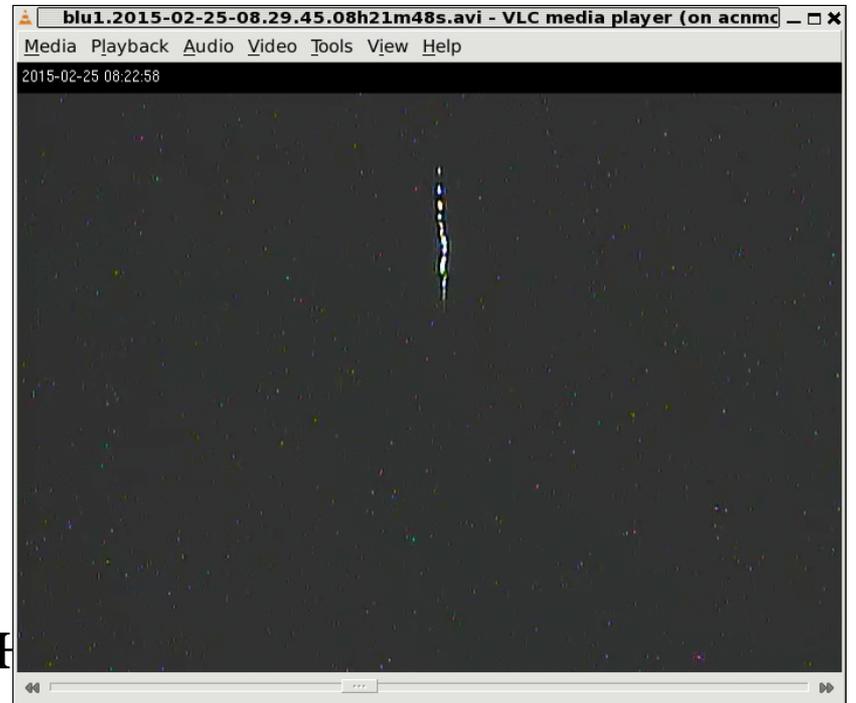

Blue1 Vertical Targets

Without fins

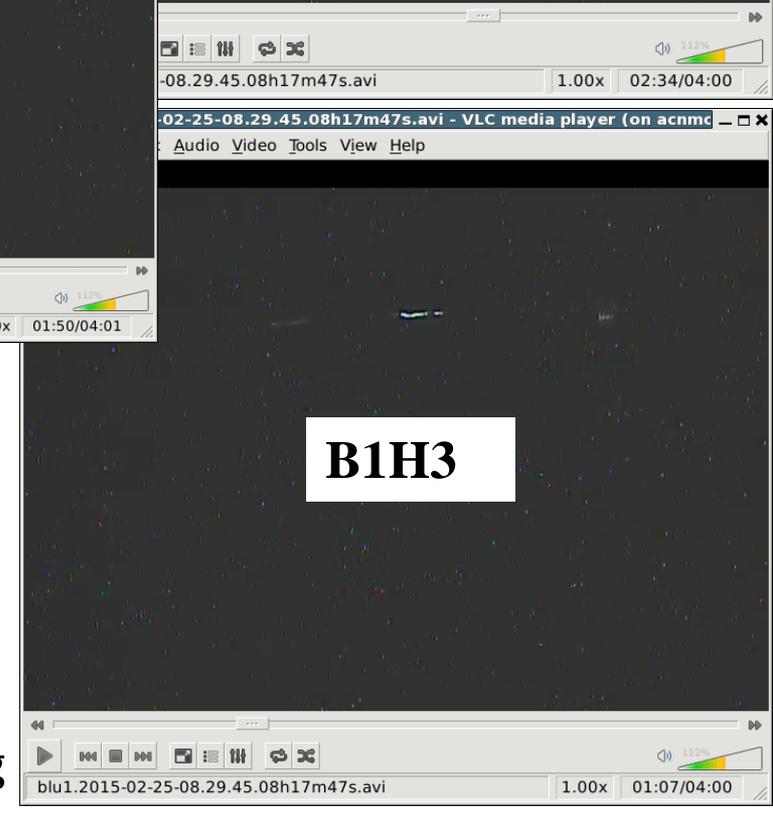

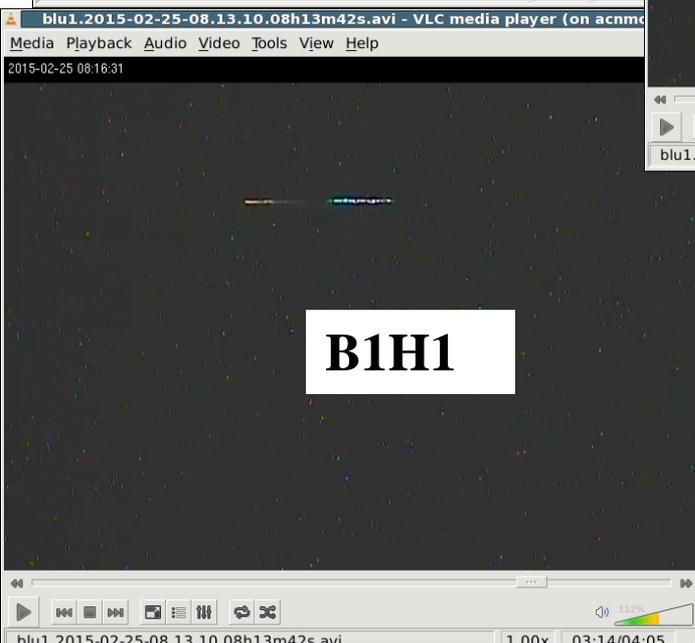

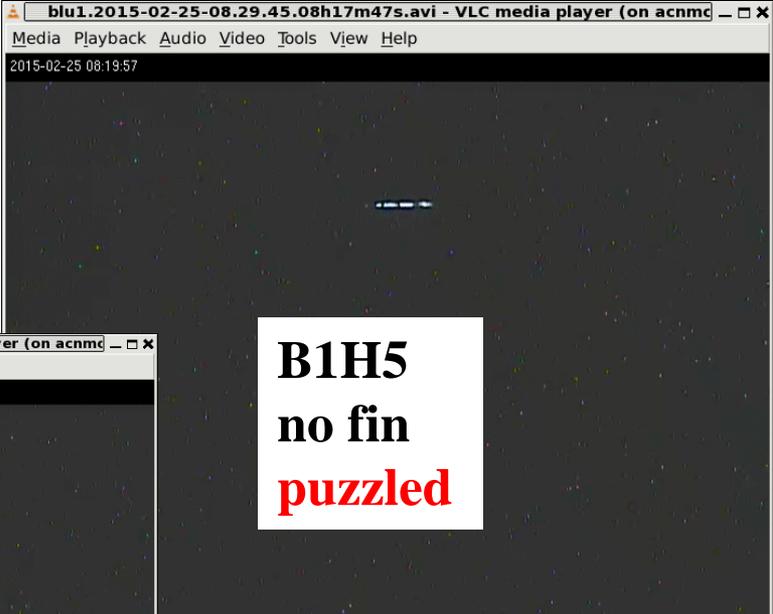

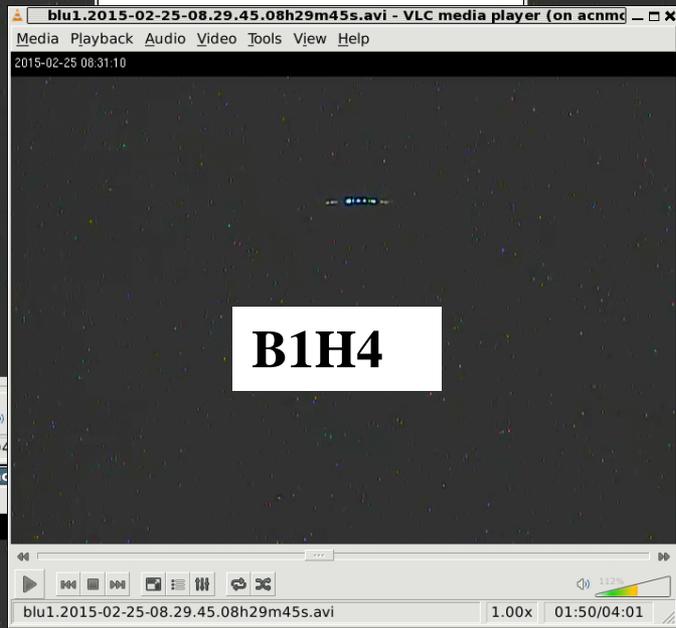

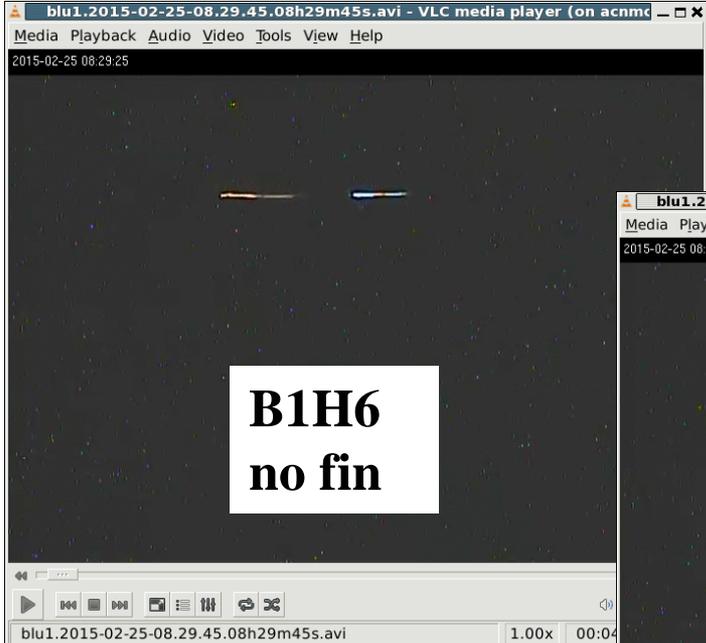

With fins

Haixin F

Horizontal Targets

3

Haixin Huang

Summary

- Most targets with fins behaved as expected, with less tail glowing.
- One exception is B1H5, which did not have fins but there was no flowing tail either.
