

Addendum  
to  
EP&S Division Technical Note  
No 22

G10 BeO Ceramic Target, Its Location, and Related Data

The following corrections should be made on sheet number 4 of the technical note:

Change the coordinates of C and D in the coordinate table at the top of the sketch to read:

C	N11952.377 E11999.087	G10-20°3'59" Survey Origin Coordinates
D	N11952.082 E11999.035	BeO Ceramic Target Tip on $\underline{C}$
