a passion for discovery

Parking at C-AD

- There is limited parking on the unpaved areas where it is clearly marked near 925 and 911
- Do not park on unpaved areas if they are not specifically posted to allow parking near 911
- Future small expansion of 911 parking and future sidewalk to 703 parking lot will help
- The east parking lot at 911 is now cleared of sub-contractor activities and there are spaces available

Upcoming Tour at C-AD

- Friday, February 12, DOE HQ at BLIP, TPL and NSRL; 8 am to 2 pm
- Joseph A. McBrearty, Deputy Director for Field Operations, Office of Science
- Isotope Program Overview, NSRL Walk thru, BLIP Walk thru, Target Processing Lab Walk thru, Rad Waste Management Facility Walk thru
- He will also visit Discovery Park, Computing Facility and NSLS

Picture of the Week – Can You Spot the Hazards?
